Discover Shimosuwa

Enjoy the atmosphere walking around the ancient seat of shrines of Suwa-taisha!

The post-town of Shimosuwa flourished in the Edo period as the only hot spring on the Nakasendo highway between Edo and Kyoto, welcoming merchants, travelers, and visitors to the shrines of Suwa-taisha.

Shimosuwa has beautiful scenery, historic streetscapes, tasty foods, hot springs, workshops and rich monozukuri (craftsmanship) heritage. leisurely exploring the shrines and surrounding area makes for a perfect day's stroll.
